

## PROJECTS..... Suffolk Farmhouses

*Church Farm, Gosbeck - Before restoration*

The practice has carried out a large number of projects involving refurbishment of typical Suffolk farmhouses. Often, these buildings have had years of makeshift repair and now require extensive but sensitive restoration and refurbishment. The correct integration of extensions or new facilities requires careful design.

*Church Farm, Gosbeck - After timber frame repairs, remodelling and refurbishment*

*Peyton Hall, Ramsholt - extension under construction*

*Clock House, Stonham Parva - timber frame repairs and extension to a Grade II Listed farmhouse*

*Abbas Hall, Great Cornard - timber frames repair and refurbishment of 13c. aisled hall, Grade I Listed*

*Abbas Hall, Great Cornard - 13c. screens passage*

*Poplar Farm, Ramsholt - restoration and refurbishment*

*Grove Farm, Brandeston - extension and restoration*
